"Hello" From the Chair

City Council Elections

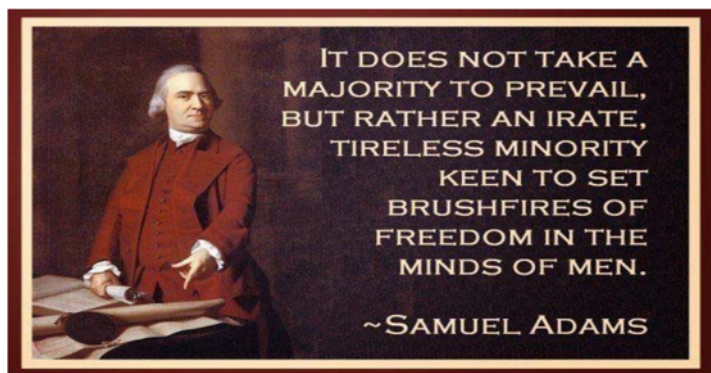

You may already have your AV ballot and are voting early. In a few weeks poll voters will be going to the polls to vote. So much is at stake this year. We can no longer play games with our right to vote.

Tip O'Neill said 'All Politics is Local' and he was and is right. If we don't fix what is happening in our own neighborhood how are we ever going to fix what goes on at the county, state and national levels?

This is your quality of life we are talking about and also your children's and your grandchildren's. Are you willing to allow things to keep going in the direction it is going? How many more millages are you willing to allow them to put on the ballot? How much more can you afford to pay for frivolous things like the spires on Van Dyke with the names of the street on them? Underground sprinkling systems on Van Dyke at a time when water bills are skyrocketing? 10' wide sidewalks on Dodge Park? Do you think we need pedestrian bridges over Mound Rd. Over development? Where does it stop?

Please join me and others to 'Clean the Swamp'! Get involved with the candidate/s of your choice and help clean the swamp.

God bless and have a grand and glorious day. Your friend and neighbor,

Philis

WHAT SAY YOU

Three millages in 6 years

Don't forget the elected servants who brought you the:

1. **Safe Streets Millage**
2. **Parks and Rec. Millage (20 years)**
3. **Millage the city council voted to give us without a vote of the people**

are on the ballot in Nov.

Can you afford all of these millages and still pay your skyrocketing water bills along with lawsuits against the Mayor for violating the Open Meetings Act?

LAWSUITS

How do you feel about the lawsuit:

- Citizens have filed against the city of Sterling Heights for settling Mosque lawsuit out of court and not telling the people how much the settlement cost.
- Citizens have brought against Mayor Taylor for violating the Open Meetings Act?
- How much is all of this going to cost the taxpayers?

"Heroes" Corner

Tom Mitchell

Tom called me a few years back and said 'I haven't been involved before, but I want to put my feet on the ground and get going!' I sent him out to get signatures for a Right to Life petition that was going around. He has never stopped since that day. Helping candidates, working against ballot props that would raise taxes and working to make sure we understand Sharia law and how it violates the U.S. Constitution, etc.

Tom is a true Patriot and never stops. Please thank Tom when you see him and think about all that he has accomplished in a few short years and join with him and start working to save our country.

God bless you and thank you TOM!

DUMB POLITICIANS ARE NOT THE PROBLEM. THE PROBLEM IS THE DUMB PEOPLE THAT KEEP VOTING FOR THEM.

It Appears 'Our Tax and Spend Liberal City Council' thinks that:

People should be warehoused and crammed into an over developed community. <http://bit.ly/1sv0cKp> and <http://bit.ly/1KfeoOO> See what Sterling Heights is up to <http://bit.ly/1Vu2g0C>

Taxing the people for frivolous things such as a Civic Center will bring young people to the community and no one will move out even though our assessments are going up and bonding will cost more because our bond rating has been lowered. <http://bit.ly/23W2Jsq>

Getting taxpayers to vote yes on a millage for roads and then giving them 10' wide sidewalks on Dodge Park so people can walk and ride their bicycles to city hall is a good use of our tax \$\$\$\$ <http://bit.ly/23W30M6>

Receiving 'LARGE' donations from businesses that want to bid on contracts with the city and then to keep rebidding the contracts until the highest donor wins is OK! Put council persons name in and check out who gave them money: <http://bit.ly/1EUrChm>

Allowing 'One Macomb' representatives to come in and indoctrinate city departments as well as citizen committees with the Welcoming America/Michigan propaganda is a good thing 'One Macomb' Link: <http://bit.ly/1Wsz61f>

3 millage increases in 6 years keeps our millage rate one of the lowest according to our 'Tax & Spend' Liberal City Council
