"Hello" From the Chair

I'm thankful for each and everyone who is on the SHUR Board, all our members and all that come to our meetings. I'm thankful for your ideas and help, your dedication to making our country great again. For your determination to make our country strong and independent, free and prosperous again. For your friendship, your kindness, and our discussions even when we disagree. For being there when I am sad, and holding my hand. God bless all of you my friends. May you have a blessed and joyous Thanksgiving full of love, good food and tender moments to fill your heart. Have a grand and glorious day and God bless! Your friend and neighbor

"Heroes" Corner

God and All Those That Prayed
And helped hurricane and also the Las Vegas massacre victims.

So many catastrophes have occurred in the last several weeks. Thanks and God bless to all that donated money, went to help and prayed for the people. We must start caring about each other and uniting our country and you are leading the way.

We are living in trying times and we must bring God back into our schools and country.

Let us never forget
this fundamental truth:

The state has no source of money other than money which people earn themselves. If the state wishes to spend more it can do so only by borrowing your savings or by taxing you more. It is no good thinking that someone else will pay—that 'someone else' is YOU.

THERE IS NO SUCH THING AS PUBLIC MONEY;
THERE IS ONLY TAXPAYERS' MONEY.
