"Hello" From the Chair

We are so blessed to still be able to use the term Merry Christmas. We are blessed to live in a country that gives us the freedom to work and prosper, the freedom of religion, freedoms that many other countries deny their citizens. But many of our elected servants and their followers want to take many of our freedoms away from us. And what are we doing about it?

- Whining and declaring that there is nothing we can do about it
- Letting others fight the battle because of excuses like: I work, I don't have time, etc.

Remember President Kennedy's Inaugural Address, where he said, 'Ask not what your country can do for you, but what you can do for your country!'

As I have answered many people who have told me that they didn't have time to get involved, 'You have a couple of hours a month to volunteer to help a candidate, or work for or against a ballot prop., or \$50 bucks now and then to donate to that candidate or prop.' Every person that I have said that to has agreed that they do.

So this Christmas when you are thinking about the presents you want to give to your loved ones, think about the love you have for your country and the present you want to give to 'Make It Great Again' and the legacy that you want to leave your children and grandchildren.

So may God bless America, Land of the Free and Home of the Brave! And may He bless each and everyone of you and give you encouragement to stand strong for our Country and be blessed with energy and courage to 'Stand Tall' and do your share.

Have a grand and Glorious Day and God Bless Your friend and neighbor,

Philia

"Heroes" Corner

**All the Men and Women Who Stand Up
and Fight for Our Country**

We are so blessed to have friends and neighbors that get out and help candidates and work for or against propositions. People who go above and beyond the call of duty to get involved and work with all their heart and strength to bring our country back to greatness and to make sure we are safe and free.

Our military, our political crusaders, our pastors, and all that care and participate

God Bless all of you and thank you so much for giving your time and money and sometimes your life to help us. You are our heroes!

Merry Christmas One and All
